## JORDAN'S PANSY GARDEN

---

We are listing only those varieties which we have tried, and found suitable to our Southern climate.

Remember, the price has nothing to do with the quality of Dahlias. The price is governed by the date of introduction, and some of the oldest varieties are still taking Blue Ribbons over the new high priced stock.

'Our Dahlias will please you, and they won't cost you a fortune. Don't think you have to pay big prices to get fine Dahlias.

'We are members of The American Dahlia Society.
